**RE: Support for AB 696  
(Caballero)**

Dear Assembly Member Caballero:

On behalf of the Monterey-Salinas Transit District (MST), I write in support of Assembly Bill (AB) 696: Department of Transportation: Prunedale Bypass: County of Monterey: disposition of excess properties (as introduced, February 15, 2017). This bill will transfer the proceeds of the sale of the former Prunedale Bypass right-of-way parcels of land to the Transportation Agency for Monterey County (TAMC) for use on priority transportation projects in the US 101 corridor in Monterey County. **Monterey-Salinas Transit supports this bill.**

Existing priority projects in the US 101 corridor in Monterey County face significant funding shortfalls. AB 696 would require the revenues from the sale of the Prunedale Bypass parcels to come back to TAMC, to be used for already programmed State Transportation Improvement Program (STIP) or voter-approved Measure X projects in the US 101 corridor in Monterey County. The Highway 156/ US 101 interchange project is a regional top priority as a bottleneck for traffic to the Monterey Peninsula, a heavily used corridor for tourists and trucks alike and the US 101 Safety Improvements project would build frontage roads and make related safety improvements to US 101 in South Salinas and South Monterey County, a vital goods movement corridor through the "Salad Bowl" of the nation.

AB 696 would ensure that millions of transportation dollars would come back to the local highway system for improvements that would benefit Monterey County's regional economic drivers: agriculture and tourism. Thank you very much for your authorship of this important bill and for supporting efforts to improve transportation in California.

Sincerely,

A handwritten signature in black ink, appearing to read "Lisa Rheinheimer", is written over a horizontal line.

Lisa Rheinheimer  
Director of Planning and Marketing

cc: Debra L. Hale, TAMC
