Amendments to the Plan

It is the intent that this plan will be implemented as approved by the voters. However, there may be unforeseen circumstances that occur over the 30-year implementation period. The Transportation Agency for Monterey County may propose amendments to the Plan to respond to unforeseen circumstances, or to provide for the use of additional federal, state, local or other funds. To modify the plan, an amendment must be approved by a 2/3 vote of the Transportation Agency for Monterey County Board of Directors, and by a simple majority weighted vote of the Transportation Agency for Monterey County Board of Directors based on population, following a noticed public hearing, a 45-day comment period and Citizens Oversight Committee review and recommendation of approval.

Loans Within the Program

Unspent funds may be loaned from one category to another at prevailing interest rates provided that repayment occurs within five years. Loans may also be made to projects outside of this program to projects at risk of delays due to a shortfall in State or federal funding, provided repayment is made within five years. Such loans may not interfere with the implementation of programs or projects in the loaning category and must be approved with a 2/3 vote of the Transportation Agency for Monterey County Board of Directors and by a simple majority weighted vote of the Board of Directors based on population, with Citizens Oversight Committee review and recommendation of approval.

Bonding Provisions

Early delivery of projects is a goal of this program to maximize project benefits and reduce costs. This Investment Plan anticipates accelerating the delivery of projects in the Regional Safety, Mobility, & Walkability program by issuing bonds. The issuance of bonds is based on the assurance that repayment of bonds is the first priority for the use of sales tax funds.

Published Results of Audits and Annual Reports

Results of the Independent Audit, Citizens Oversight Committee findings, and the Annual Report must be published and made available to the general public.
